Flyers Skate Zone is dedicated to the development of youth hockey. Future Flyers is an instructional program designed to provide aspiring hockey players ages 5 and older the opportunity to learn the game in a highly organized, fun filled environment. The program provides participants on-ice instruction once a week with our highly trained and experienced professional coaching staff.

The three pinnacles of our Future Flyers program are: FUN, SKILL DEVELOPMENT, and PARTICIPATION. Each week, our professional instructors will teach practice plans that challenge players to push themselves in an effort to improve their skills. All practices will finish with a scrimmage that provides players the opportunity to put their new skills into a game situation.

The Future Flyers program is the beginning phase in our Skate Zone Hockey Academy development program. Following the completion of this program, our goal is to have players ready for recreational game play in our very popular Flyers Youth Hockey League!
